Crown Land Management Amendment (Statutory Review) Bill 2026

First print

Proposed amendments to Government amendments c2026-169P

No. 1 Validation and variation of holdings—grounds for declaring holding to be valid

In amendment No. 4, insert after proposed section 5.20C(1)(b)(ii)—

- (iia) if the declaration will impact on a claim under the *Aboriginal Land Rights Act 1983* that is yet to be determined—whether there are any existing protections, including planning or zoning controls or other statutory protections, or alternative options available to retain the community benefit without negatively impacting on the claim, and

No. 2 Validation and variation of holdings—consultation

In amendment No. 4, omit proposed section 5.20F(1). Insert instead—

- (1) Before making a declaration or variation in relation to a holding over Crown land, the Minister must—
 - (a) consult with each relevant person, and
 - (b) if the Crown land is subject to a claim under the *Aboriginal Land Rights Act 1983* that is yet to be determined—obtain the concurrence of the Minister administering that Act.

No. 3 **Validation and variation of holdings—consultation (only to be moved if amendment No. 2 is successful)**

In amendment No. 4, proposed section 5.20F(2), omit “subsection (1)”. Insert instead “subsection (1)(a)”.
