

New South Wales.

ANNO PRIMO

EDWARDI VIII REGIS.

Act No. 40, 1936.

An Act to amend the Main Roads Act, 1924–1931, the Sydney Harbour Bridge Act, 1922, and certain other Acts in certain respects; to validate certain matters; and for purposes connected therewith. [Assented to, 27th July, 1936.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. (1) This Act may be cited as the “Main Roads (Amendment) Act, 1936.” Short title
and citation.

(2) The Main Roads Act, 1924–1931, as amended by subsequent Acts, is in this Act referred to as the Principal Act.

Main Roads (Amendment).

(3) The Principal Act as amended by this Act may be cited as the Main Roads Act, 1924-1936.

2. The Principal Act is amended—

Amendment of
Act No. 24,
1924.

Sec. 1.

(Applica-
tion of Act.)

- (a) by omitting from subsection two of section one the words "municipalities of Balranald and Hillston which are in the Western Division of the State," and by inserting in lieu thereof the words "Western Division of the State which are within the areas of municipalities";

Sec. 3.

(Interpre-
tation.)

- (b) (i) by inserting in section three after the definition of "Botany Road Trust" the following new definition:—

"Commissioner" means the Commissioner for Main Roads appointed under the Transport (Division of Functions) Act, 1932.

- (ii) by inserting in the same section after the definition of "Developmental road" the following new definition:—

"Developmental work" means any work upon a road, route or means of access declared to be a developmental work under this Act or any part of such developmental work.

- (iii) by inserting at the end of the same section the following new subsection:—

(2) Where any road which passes through a public reserve and connects with a main road has, although the same is not a public road, been proclaimed to be a main road, then in the application of any provision of this Act to or in respect of such road, unless the context or subject matter otherwise indicates or requires—

- (a) a reference to the council shall be construed as a reference to the trustees of such public reserve; and
(b) a reference to the area of the council shall be construed as a reference to such public reserve.

Main Roads (Amendment).

3. (1) The Principal Act is further amended—

Further amendment of Act No. 24, 1924.
Sec. 7 (2).
(Officers.)

- (a) by inserting at the end of subparagraph (iii) of paragraph (b) of subsection two of section seven the words “as if he had continued as an officer of the public service”;
- (b) by omitting from the same paragraph the words “Service in the public service shall be deemed service with the board” and by inserting in lieu thereof the words “Service with the board shall be deemed service in the public service.”

(2) Subsection one of this section shall be deemed to have commenced on the first day of July, one thousand nine hundred and twenty-nine.

(3) The Principal Act is further amended by inserting at the end of subsection four of section seven the words “and the Developmental Roads Fund.”

Further amendment of Act No. 24, 1924.
Sec. 7 (4).
(Division of administrative expenses.)

4. The Principal Act is further amended—

- (a) by inserting next after section seven the following new section:—

Further amendment of Act No. 24, 1924.
New s. 7A.

7A. (1) A Commissioner or an Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, and every officer who has had fifteen years' service shall be entitled to three months' leave on full pay or six months on half pay, and on the completion of twenty years' service shall be entitled to a further three months' leave on full pay or six months on half pay.

Leave of absence after years of service

After completion of further service after twenty years and up to a total service of forty years in all he shall be entitled to a further proportionate amount of leave on full pay or half pay calculated on the basis of six months or twelve months respectively for twenty years' service.

(2).

Main Roads (Amendment).

Gratuity in
lieu of ex-
tended leave.

(2) A Commissioner, an Assistant Commissioner or an officer who has acquired a right to extended leave with pay and who retires from his office or from the service of the Commissioner shall be paid forthwith in lieu of such leave the money value thereof as a gratuity in addition to any gratuity to which he may otherwise be entitled.

Any pension to which any such Commissioner, Assistant Commissioner or officer is entitled under the Superannuation Act, 1916-1935, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(3) Any pension to which any officer referred to in subsection two of this section is entitled under the Civil Service Act 1884, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(4) A Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, who, before his office as Commissioner or Assistant Commissioner expires is appointed by the Governor to any office under any Act, shall be entitled to continue to contribute to any superannuation fund or account to which he was, immediately before such last-mentioned appointment, a contributor, and shall be entitled to receive any deferred or extended leave or any payment in respect thereof in the same manner and to the same extent as he would have been entitled to contribute to such fund or account or to receive such leave or payment in respect thereof if he had continued in office as such Commissioner or Assistant Commissioner.

For such purposes his service in any office to which he may be so appointed shall be deemed to be service as such Commissioner or Assistant Commissioner as aforesaid.

This

Main Roads (Amendment).

This subsection shall be deemed to have commenced on the twenty-ninth day of April, one thousand nine hundred and thirty-five.

(5) For the purpose of this section service shall include aggregate years of service either before or after the commencement of the Main Roads (Amendment) Act, 1936, of—

- (a) a member of the board;
- (b) a Transport Commissioner appointed under the Ministry of Transport Act, 1932;
- (c) a Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932;
- (d) an officer or employee of the board or of the Transport Commissioners of New South Wales or of the Commissioner;

and, where any such Commissioner, Assistant Commissioner, officer, or employee was, immediately before his appointment to the board or as a Transport Commissioner, an officer or employee of the Public Service, shall include aggregate years of service in the Public Service.

Nothing in this section contained shall affect or limit the rights conferred by any other provision of this Act on officers of the Public Service appointed as members of the board or as Transport Commissioners or to the service of the board or of the Transport Commissioners of New South Wales or of the Commissioner.

- (b) by omitting from section two from the matter relating to Part II the figure "7" and by inserting in lieu thereof the figure and letter "7A."

(a) by omitting from the heading to Division 3 of Part IV the words “main road work” and by inserting in lieu thereof the words “State highways and main roads.”

Further amendment of Act No. 24, 1924.
Heading to Div. 3, Part IV.

(b) by omitting sections fourteen and fifteen and by inserting in lieu thereof the following new sections:—

Substituted secs. 14 and 15.

14. (1) The Commissioner shall decide what works of construction or of maintenance shall be carried out on or in respect of a metropolitan State highway or a metropolitan main road.

Decision as to works.

(2) Before so deciding the Commissioner shall consider the representations (if any) of the councils of the areas in which the works will be situated.

15. (1) Where the Commissioner has decided that any work of construction or of maintenance is necessary he may (except when otherwise authorised by the Governor) offer to place the carrying out of the work in the hands of the council and may make an agreement with the council accordingly.

Who to execute works.

This

Main Roads (Amendment).

This subsection shall extend to works for the construction and maintenance of a road which passes through a public reserve and connects with a main road and which has, although the same is not a public road, been proclaimed to be a main road. In any such case the offer may be made to and the agreement may be made with the council within whose area the public reserve is situated or to or with any other council.

(2) The Governor may in any special case direct that work be carried out by the Commissioner.

(3) Where an agreement is made under subsection one of this section the Commissioner shall pay the cost (or instalments thereof) from the County of Cumberland Main Roads Fund to the council in trust, to be expended on the said works in accordance with the agreement, and the council shall account to the Commissioner therefor.

(4) All work entrusted to a council shall be carried out to the satisfaction of the Commissioner.

(5) Where in consequence of any works of construction or of maintenance carried out, by or at the request of the Commissioner, on or in respect of a metropolitan State highway or a metropolitan main road, it becomes necessary to make any alterations in any side road the Commissioner shall pay, from the County of Cumberland Main Roads Fund, the cost of so much of such alterations as is attributable to such works of construction or of maintenance.

(6) (a) The Commissioner may require a council to pay a contribution towards the cost of works of drainage, kerbing, or guttering or of construction and paving of footways carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or main road.

Main Roads (Amendment).

A council may be required to pay a contribution under this subsection towards the cost of a work of drainage, which serves to drain portion of the area of the council outside the limits of the State highway or main road whether or not such work is wholly or partly outside the area of the council.

A council may be required to pay such sum as the Commissioner may consider reasonable, as a contribution towards the cost of constructing or paving the footway on a bridge situated wholly or partly within the area of the council whether such sum be greater or less than the actual cost of such of the works as are carried out in the area of that council.

(b) Any contribution required to be paid by a council under this subsection shall not exceed—

- (i) in respect of any works of drainage, the proportion of the cost thereof which the discharge of stormwater from the area of the council outside the limits of the State highway or main road bears to the total discharge of stormwater from the total area to be served by the said works;
- (ii) in respect of kerbing and guttering, three-quarters of the cost thereof constructed on the same side of the road as and adjacent to any land privately owned where no kerbing and/or guttering previously existed or where kerbing and/or guttering existed but no contribution in respect thereof has previously been paid by an owner of such land, and one-half of the cost of constructing kerbing and guttering on the same side of the road as and adjacent to any public reserve where no kerbing and/or guttering previously existed;
- (iii) in respect of construction and paving of footways (including footways on bridges) the ,

Main Roads (Amendment).

the cost of constructing and paving the footway where the footway was not previously constructed and/or paved, or the cost of any widening of the footway;

(c) Before any work towards the cost of which the Commissioner proposes to require any council to make a contribution under this subsection is proceeded with the Commissioner shall furnish to the council plans and specifications of the proposed work and shall serve notice upon the council of his proposals and the estimated amount of such contribution, and shall consider the representations (if any) of the council in connection therewith.

Any such representations shall be made in writing not later than three months after the date of service of such notice on the council.

If within three months after the date of service of notice of such proposals on the council no such representations have been made by the council to the Commissioner the work may be proceeded with.

Where any representations are so made the Commissioner shall within one month after the receipt by him of such representations, or in any case where the council has, in such representations, notified the Commissioner that it desires to be heard and to call evidence in respect of the matter, within one month after hearing the council, inform the council in writing of his decision thereon.

(d) Any payment due to the Commissioner by way of contribution under this subsection shall be paid to the Commissioner by the council—

- (i) in any case where the contribution exceeds one thousand pounds, by instalments of such amounts and payable over such period not exceeding five years as may be agreed between the council and the Commissioner;
- (ii)

Main Roads (Amendment).

- (ii) in any other case, within three months after demand by the Commissioner or within such further time as the Commissioner may allow.

(e) Where any difference arises between the council and the Commissioner in respect of anything done or proposed to be done under this subsection or of the application of this subsection or of the amount of contribution payable to the Commissioner or of the period during which instalments of any such amount shall be paid or as to the extent to which any alterations in any side road are attributable to any works of construction or of maintenance carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or a metropolitan main road, such difference shall be submitted to a district court judge nominated for that purpose by the Governor to act as arbitrator.

The Arbitration Act, 1902, shall not apply to any submission to a district court judge under this paragraph.

Rules of court may be made by the judges of the district courts under the District Courts Act, 1912-1936, regulating the procedure in connection with any such submission and all other matters connected with or arising out of any such submission, in respect of which it may to them appear necessary or convenient to make rules of court.

The decision of the judge in respect of any difference submitted to him for arbitration shall be final but no award as to costs of the council or of the Commissioner shall be made and the judge shall for the purposes of such arbitration have the same powers of procuring the attendance of witnesses and the production of documents as if the proceedings were an action in the district court.

In

Main Roads (Amendment).

In the case of the death or inability to act of the judge nominated as arbitrator the Governor may nominate a district court judge to act as a new arbitrator.

New sec. 40A.

40A. (1) Where any person or statutory body or department of the Government in placing or removing any pipe, wire, rail, passage, tunnel, petrol pump, stall, structure, gutter crossing, kerbing, guttering, footway paving or thing whatsoever in, upon, under or over any main road, opens or breaks up the road, the Commissioner may require the person or statutory body or department of the Government opening or breaking up the road to fill in and repair to his satisfaction the part of the road opened or broken up.

Reinstatement.

(2) Where any main road is damaged as a result of a leakage from or of the breaking or bursting of any pipe, wire, rail, passage, tunnel or other thing whatsoever which is in, upon, under or over such main road the Commissioner may require—

- (a) the person or statutory body or department of the Government responsible for the placing of any such thing in, upon, under or over such road or having the care or control of any such thing; or
- (b)

Main Roads (Amendment).

- (b) any person, statutory body or department of the Government (other than the person, statutory body or department of the Government referred to in paragraph (a) of this subsection) whose act or default has caused or occasioned such leakage, breaking or bursting,

to make good to his satisfaction any damage to the road resulting therefrom.

(3) The Commissioner may, in lieu of requiring any person, statutory body or department of the Government to fill in and repair the road or to make good any damage to the road, carry out the work himself and may recover the expenses thereof from such person, statutory body or department of the Government.

(4) Where and in so far as any requirement by the Commissioner under this section relates to any matter in respect of which a duty is, by or under the Transport Act, 1930, as amended by subsequent Acts, imposed upon the Commissioner for Road Transport and Tramways, performance by that Commissioner of such duty shall be a sufficient compliance with such requirement.

19. The Principal Act is further amended—

- (a) (i) by inserting at the commencement of section forty-one the words "Notwithstanding anything in any Act whether passed before or after the commencement of the Main Roads (Amendment) Act, 1936";
- (ii) by inserting in the same section after the word "made" the words "nor shall any level crossing, bridge or tunnel be constructed in a main road";
- (b) by inserting at the end of section forty-two the following new subsection:—

ANNO PRIMO

EDWARDI VIII REGIS.

Act No. 40, 1936.

An Act to amend the Main Roads Act, 1924-1931, the Sydney Harbour Bridge Act, 1922, and certain other Acts in certain respects; to validate certain matters; and for purposes connected therewith. [Assented to, 27th July, 1936.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. (1) This Act may be cited as the “Main Roads (Amendment) Act, 1936.” Short title and citation.

(2) The Main Roads Act, 1924-1931, as amended by subsequent Acts, is in this Act referred to as the Principal Act.

(3)

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

W. W. HEDGES,
Chairman of Committees of the Legislative Assembly.

Main Roads (Amendment).

(3) The Principal Act as amended by this Act may be cited as the Main Roads Act, 1924-1936.

2. The Principal Act is amended—

Amendment of
Act No. 24,
1924.

Sec. 1.
(Applica-
tion of Act.)

- (a) by omitting from subsection two of section one the words "municipalities of Balranald and Hillston which are in the Western Division of the State," and by inserting in lieu thereof the words "Western Division of the State which are within the areas of municipalities";

Sec. 3.
(Interpre-
tation.)

- (b) (i) by inserting in section three after the definition of "Botany Road Trust" the following new definition:—

"Commissioner" means the Commissioner for Main Roads appointed under the Transport (Division of Functions) Act, 1932.

- (ii) by inserting in the same section after the definition of "Developmental road" the following new definition:—

"Developmental work" means any work upon a road, route or means of access declared to be a developmental work under this Act or any part of such developmental work.

- (iii) by inserting at the end of the same section the following new subsection:—

(2) Where any road which passes through a public reserve and connects with a main road has, although the same is not a public road, been proclaimed to be a main road, then in the application of any provision of this Act to or in respect of such road, unless the context or subject matter otherwise indicates or requires—

- (a) a reference to the council shall be construed as a reference to the trustees of such public reserve; and
(b) a reference to the area of the council shall be construed as a reference to such public reserve.

Heading to Div. 3, Part IV.

- (a) by omitting from the heading to Division 3 of Part IV the words “main road work” and by inserting in lieu thereof the words “State highways and main roads.”
- (b) by omitting sections fourteen and fifteen and by inserting in lieu thereof the following new sections:—

Substituted secs. 14 and 15.

14. (1) The Commissioner shall decide what works of construction or of maintenance shall be carried out on or in respect of a metropolitan State highway or a metropolitan main road.

Decision as to works.

(2) Before so deciding the Commissioner shall consider the representations (if any) of the councils of the areas in which the works will be situated.

15. (1) Where the Commissioner has decided that any work of construction or of maintenance is necessary he may (except when otherwise authorised by the Governor) offer to place the carrying out of the work in the hands of the council and may make an agreement with the council accordingly.

Who to execute works.

This

Main Roads (Amendment).

This subsection shall extend to works for the construction and maintenance of a road which passes through a public reserve and connects with a main road and which has, although the same is not a public road, been proclaimed to be a main road. In any such case the offer may be made to and the agreement may be made with the council within whose area the public reserve is situated or to or with any other council.

(2) The Governor may in any special case direct that work be carried out by the Commissioner.

(3) Where an agreement is made under subsection one of this section the Commissioner shall pay the cost (or instalments thereof) from the County of Cumberland Main Roads Fund to the council in trust, to be expended on the said works in accordance with the agreement, and the council shall account to the Commissioner therefor.

(4) All work entrusted to a council shall be carried out to the satisfaction of the Commissioner.

(5) Where in consequence of any works of construction or of maintenance carried out, by or at the request of the Commissioner, on or in respect of a metropolitan State highway or a metropolitan main road, it becomes necessary to make any alterations in any side road the Commissioner shall pay, from the County of Cumberland Main Roads Fund, the cost of so much of such alterations as is attributable to such works of construction or of maintenance.

(6) (a) The Commissioner may require a council to pay a contribution towards the cost of works of drainage, kerbing, or guttering or of construction and paving of footways carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or main road.

Main Roads (Amendment).

A council may be required to pay a contribution under this subsection towards the cost of a work of drainage, which serves to drain portion of the area of the council outside the limits of the State highway or main road whether or not such work is wholly or partly outside the area of the council.

A council may be required to pay such sum as the Commissioner may consider reasonable, as a contribution towards the cost of constructing or paving the footway on a bridge situated wholly or partly within the area of the council whether such sum be greater or less than the actual cost of such of the works as are carried out in the area of that council.

(b) Any contribution required to be paid by a council under this subsection shall not exceed—

- (i) in respect of any works of drainage, the proportion of the cost thereof which the discharge of stormwater from the area of the council outside the limits of the State highway or main road bears to the total discharge of stormwater from the total area to be served by the said works;
- (ii) in respect of kerbing and guttering, three-quarters of the cost thereof constructed on the same side of the road as and adjacent to any land privately owned where no kerbing and/or guttering previously existed or where kerbing and/or guttering existed but no contribution in respect thereof has previously been paid by an owner of such land, and one-half of the cost of constructing kerbing and guttering on the same side of the road as and adjacent to any public reserve where no kerbing and/or guttering previously existed;
- (iii) in respect of construction and paving of footways (including footways on bridges) the

Main Roads (Amendment).

the cost of constructing and paving the footway where the footway was not previously constructed and/or paved, or the cost of any widening of the footway;

(c) Before any work towards the cost of which the Commissioner proposes to require any council to make a contribution under this subsection is proceeded with the Commissioner shall furnish to the council plans and specifications of the proposed work and shall serve notice upon the council of his proposals and the estimated amount of such contribution, and shall consider the representations (if any) of the council in connection therewith.

Any such representations shall be made in writing not later than three months after the date of service of such notice on the council.

If within three months after the date of service of notice of such proposals on the council no such representations have been made by the council to the Commissioner the work may be proceeded with.

Where any representations are so made the Commissioner shall within one month after the receipt by him of such representations, or in any case where the council has, in such representations, notified the Commissioner that it desires to be heard and to call evidence in respect of the matter, within one month after hearing the council, inform the council in writing of his decision thereon.

(d) Any payment due to the Commissioner by way of contribution under this subsection shall be paid to the Commissioner by the council—

- (i) in any case where the contribution exceeds one thousand pounds, by instalments of such amounts and payable over such period not exceeding five years as may be agreed between the council and the Commissioner;
- (ii)

Main Roads (Amendment).

(ii) in any other case, within three months after demand by the Commissioner or within such further time as the Commissioner may allow.

(e) Where any difference arises between the council and the Commissioner in respect of anything done or proposed to be done under this subsection or of the application of this subsection or of the amount of contribution payable to the Commissioner or of the period during which instalments of any such amount shall be paid or as to the extent to which any alterations in any side road are attributable to any works of construction or of maintenance carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or a metropolitan main road, such difference shall be submitted to a district court judge nominated for that purpose by the Governor to act as arbitrator.

The Arbitration Act, 1902, shall not apply to any submission to a district court judge under this paragraph.

Rules of court may be made by the judges of the district courts under the District Courts Act, 1912-1936, regulating the procedure in connection with any such submission and all other matters connected with or arising out of any such submission, in respect of which it may to them appear necessary or convenient to make rules of court.

The decision of the judge in respect of any difference submitted to him for arbitration shall be final but no award as to costs of the council or of the Commissioner shall be made and the judge shall for the purposes of such arbitration have the same powers of procuring the attendance of witnesses and the production of documents as if the proceedings were an action in the district court.

In

Main Roads (Amendment).

In the case of the death or inability to act of the judge nominated as arbitrator the Governor may nominate a district court judge to act as a new arbitrator.

2. The Principal Act is amended—

Amendment of
Act No. 24,
1924.

- 5 (a) by omitting from subsection two of section one the words "municipalities of Balranald and Hillston which are in the Western Division of the State," and by inserting in lieu thereof the words "Western Division of the State which are within the areas of municipalities";
- 10 (b) (i) by inserting in section three after the definition of "Botany Road Trust" the following new definition:—
- 15 "Commissioner" means the Commissioner for Main Roads appointed under the Transport (Division of Functions) Act, 1932.
- (ii) by inserting in the same section after the definition of "Developmental road" the following new definition:—
- 20 "Developmental work" means any work upon a road, route or means of access declared to be a developmental work under this Act or any part of such developmental work.
- 25 (iii) by inserting at the end of the same section the following new subsection:—
- (2) Where any road which passes through a public reserve and connects with a main road has, although the same is not a public road, been proclaimed to be a main road, then in the application of any provision of this Act to or in respect of such road, unless the context or subject matter otherwise indicates or requires—
- 30 (a) a reference to the council shall be construed as a reference to the trustees of such public reserve; and
- 35 (b) a reference to the area of the council shall be construed as a reference to such public reserve.

Sec. 1.
(Applica-
tion of Act.)

Sec. 3.
(Interpre-
tation.)

Main Roads (Amendment).

3. (1) The Principal Act is further amended—

4. The Principal Act is further amended—

- (a) by inserting next after section seven the following new section:—

Further amendment of Act No. 24, 1924.
New s. 7A.

7A. (1) A Commissioner or an Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, and every officer who has had fifteen years' service shall be entitled to three months' leave on full pay or six months on half pay, and on the completion of twenty years' service shall be entitled to a further three months' leave on full pay or six months on half pay.

Leave of absence after years of service.

After completion of further service after twenty years and up to a total service of forty years in all he shall be entitled to a further proportionate amount of leave on full pay or half pay calculated on the basis of six months or twelve months respectively for twenty years' service.

(2)

Main Roads (Amendment).

(2) A Commissioner, an Assistant Commissioner or an officer who has acquired a right to extended leave with pay and who retires from his office or from the service of the Commissioner shall be paid forthwith in lieu of such leave the money value thereof as a gratuity in addition to any gratuity to which he may otherwise be entitled.

Gratuity in
lieu of ex-
tended leave.

Any pension to which any such Commissioner, Assistant Commissioner or officer is entitled under the Superannuation Act, 1916-1935, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(3) Any pension to which any officer referred to in subsection two of this section is entitled under the Civil Service Act 1884, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(4) A Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, who, before his office as Commissioner or Assistant Commissioner expires is appointed by the Governor to any office under any Act, shall be entitled to continue to contribute to any superannuation fund or account to which he was, immediately before such last-mentioned appointment, a contributor, and shall be entitled to receive any deferred or extended leave or any payment in respect thereof in the same manner and to the same extent as he would have been entitled to contribute to such fund or account or to receive such leave or payment in respect thereof if he had continued in office as such Commissioner or Assistant Commissioner.

For such purposes his service in any office to which he may be so appointed shall be deemed to be service as such Commissioner or Assistant Commissioner as aforesaid.

This

Main Roads (Amendment).

This subsection shall be deemed to have commenced on the twenty-ninth day of April, one thousand nine hundred and thirty-five.

5 (5) For the purpose of this section service shall include aggregate years of service either before or after the commencement of the Main Roads (Amendment) Act, 1936, of—

(a) a member of the board;

10 (b) a Transport Commissioner appointed under the Ministry of Transport Act, 1932;

(c) a Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932;

15 (d) an officer or employee of the board or of the Transport Commissioners of New South Wales or of the Commissioner;

20 and, where any such Commissioner, Assistant Commissioner, officer, or employee was, immediately before his appointment to the board or as a Transport Commissioner, an officer or employee of the Public Service, shall include aggregate years of service in the Public Service.

25 Nothing in this section contained shall affect or limit the rights conferred by any other provision of this Act on officers of the Public Service appointed as members of the board or as Transport Commissioners or to the service of the board or of the Transport Commissioners of New South Wales or of the Commissioner.

30 (b) by omitting from section two from the matter relating to Part II the figure "7" and by inserting in lieu thereof the figure and letter "7A."

Sec. 2.
(Division
into
Parts.)

- 15 (a) by omitting from the heading to Division 3 of Part IV the words “main road work” and by inserting in lieu thereof the words “State highways and main roads.”
- (b) by omitting sections fourteen and fifteen and by inserting in lieu thereof the following new sections:—
- 20

Heading to Div. 3, Part IV.

Substituted secs. 14 and 15.

14. (1) The Commissioner shall decide what works of construction or of maintenance shall be carried out on or in respect of a metropolitan State highway or a metropolitan main road.

Decision as to works.

25 (2) Before so deciding the Commissioner shall consider the representations (if any) of the councils of the areas in which the works will be situated.

30 15. (1) Where the Commissioner has decided that any work of construction or of maintenance is necessary he may (except when otherwise authorised by the Governor) offer to place the carrying out of the work in the hands of the council and may make an agreement with the
35 council accordingly.

Who to execute works.

This

Main Roads (Amendment).

5 This subsection shall extend to works for the construction and maintenance of a road which passes through a public reserve and connects with a main road and which has, although the same is not a public road, been proclaimed to be a main road. In any such case the offer may be made to and the agreement may be made with the council within whose area the public reserve is situated or to or with any other council.

10 (2) The Governor may in any special case direct that work be carried out by the Commissioner.

15 (3) Where an agreement is made under subsection one of this section the Commissioner shall pay the cost (or instalments thereof) from the County of Cumberland Main Roads Fund to the council in trust, to be expended on the said works in accordance with the agreement, and the council shall account to the Commissioner therefor.

20 (4) All work entrusted to a council shall be carried out to the satisfaction of the Commissioner.

25 (5) Where in consequence of any works of construction or of maintenance carried out, by or at the request of the Commissioner, on or in respect of a metropolitan State highway or a metropolitan main road, it becomes necessary to make any alterations in any side road the Commissioner shall pay, from the County of Cumberland Main Roads Fund, the cost of so much of such alterations as is attributable to such works of construction or of maintenance.

30 (6) (a) The Commissioner may require a council to pay a contribution towards the cost of works of drainage, kerbing, or guttering or of construction and paving of footways carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or main road.

40

A

Main Roads (Amendment).

5 A council may be required to pay a contribution under this subsection towards the cost of a work of drainage, which serves to drain portion of the area of the council outside the limits of the State highway or main road whether or not such work is wholly or partly outside the area of the council.

10 A council may be required to pay such sum as the Commissioner may consider reasonable, as a contribution towards the cost of constructing or paving the footway on a bridge situated wholly or partly within the area of the council whether such sum be greater or less than the actual cost of such of the works as are carried out in the area of that council.

15 (b) Any contribution required to be paid by a council under this subsection shall not exceed—

20 (i) in respect of any works of drainage, the proportion of the cost thereof which the discharge of stormwater from the area of the council outside the limits of the State highway or main road bears to the total discharge of stormwater from the total area to be served by the said works;

25 (ii) in respect of kerbing and guttering, three-quarters of the cost thereof constructed on the same side of the road as and adjacent to any land privately owned where no kerbing and/or guttering previously existed or where kerbing and/or guttering existed but no contribution in respect thereof has previously been paid by an owner of such land, and one-half of the cost of constructing kerbing and guttering on the same side of the road as and adjacent to any public reserve where no kerbing and/or guttering previously existed;

30 (iii) in respect of construction and paving of footways (including footways on bridges) the

Main Roads (Amendment).

the cost of constructing and paving the footway where the footway was not previously constructed and/or paved, or the cost of any widening of the footway;

5 (c) Before any work towards the cost of which the Commissioner proposes to require any council to make a contribution under this subsection is proceeded with the Commissioner shall furnish to the council plans and specifications of the proposed work and shall serve notice
10 upon the council of his proposals and the estimated amount of such contribution, and shall consider the representations (if any) of the council in connection therewith.

15 Any such representations shall be made in writing not later than three months after the date of service of such notice on the council.

If within three months after the date of service of notice of such proposals on the council no such
20 representations have been made by the council to the Commissioner the work may be proceeded with.

Where any representations are so made the Commissioner shall within one month after the receipt by him of such representations, or in any
25 case where the council has, in such representations, notified the Commissioner that it desires to be heard and to call evidence in respect of the matter, within one month after hearing the council, inform the council in writing of his decision thereon.
30

(d) Any payment due to the Commissioner by way of contribution under this subsection shall be paid to the Commissioner by the
35 council—

(i) in any case where the contribution exceeds one thousand pounds, by instalments of such amounts and payable over such period not exceeding five years as
40 may be agreed between the council and the Commissioner; (ii)

Main Roads (Amendment).

(ii) in any other case, within three months after demand by the Commissioner or within such further time as the Commissioner may allow.

5 (e) Where any difference arises between the council and the Commissioner in respect of anything done or proposed to be done under this subsection or of the application of this subsection or of the amount of contribution payable to the Commissioner or of the period during
10 which instalments of any such amount shall be paid or as to the extent to which any alterations in any side road are attributable to any works of construction or of maintenance carried out by
15 or at the request of the Commissioner on or in respect of a metropolitan State highway or a metropolitan main road, such difference shall be submitted to a district court judge nominated for that purpose by the Governor to act as arbitrator.
20

The Arbitration Act, 1902, shall not apply to any submission to a district court judge under this paragraph.

25 Rules of court may be made by the judges of the district courts under the District Courts Act, 1912-1936, regulating the procedure in connection with any such submission and all other matters connected with or arising out of any such submission, in respect of which it may to them
30 appear necessary or convenient to make rules of court.

35 The decision of the judge in respect of any difference submitted to him for arbitration shall be final but no award as to costs of the council or of the Commissioner shall be made and the judge shall for the purposes of such arbitration have the same powers of procuring the attendance of witnesses and the production of documents as if the proceedings were an action in the district court.

In

Main Roads (Amendment).

In the case of the death or inability to act of the judge nominated as arbitrator the Governor may nominate a district court judge to act as a new arbitrator.

- 5 (c) by omitting from section two from the matter relating to Division 3 of Part IV the words "main road work" and by inserting in lieu thereof the words "State highways and main roads";

- 10 (d) (i) by omitting from subsection one of section nineteen the words "and to those parts of the municipalities of Balranald and Hillston which are in the Western Division of the State";

- 15 (ii) by inserting at the end of the same subsection the words "and shall also apply to those portions of the Western Division of the State which are within the areas of municipalities."

10. (1) The Principal Act is further amended by omitting from paragraph (a) of subsection one of section 20 twenty the words "after deducting a sum fixed by the Treasurer, not exceeding five per centum thereof, to cover cost of collection (which shall be paid to Consolidated Revenue Fund)."

Further amendment of Act No. 24, 1924.

Reinstatement.

- 30 (2) Where any main road is damaged as a result of a leakage from or of the breaking or bursting of any pipe, wire, rail, passage, tunnel or other thing whatsoever which is in, upon, under or over such main road the Commissioner may require—

- 35 (a) the person or statutory body or department of the Government responsible for the placing of any such thing in, upon, under or over such road or having the care or control of any such thing; or
- (b)

Main Roads (Amendment).

5 (b) any person, statutory body or department of the Government (other than the person, statutory body or department of the Government referred to in paragraph (a) of this subsection) whose act or default has caused or occasioned such leakage, breaking or bursting,

to make good to his satisfaction any damage to the road resulting therefrom.

10 (3) The Commissioner may, in lieu of requiring any person, statutory body or department of the Government to fill in and repair the road or to make good any damage to the road, carry out the work himself and may recover the expenses thereof from
15 such person, statutory body or department of the Government.

(4) Where and in so far as any requirement by the Commissioner under this section relates to any matter in respect of which a duty is, by or under
20 the Transport Act, 1930, as amended by subsequent Acts, imposed upon the Commissioner for Road Transport and Tramways, performance by that Commissioner of such duty shall be a sufficient compliance with such requirement.

25 19. The Principal Act is further amended—

(a) (i) by inserting at the commencement of section forty-one the words "Notwithstanding anything in any Act whether passed before or after the commencement of the Main Roads (Amendment) Act, 1936";

30 (ii) by inserting in the same section after the word "made" the words "nor shall any level crossing, bridge or tunnel be constructed in a main road";

35 (b) by inserting at the end of section forty-two the following new subsection:—

(2) In the case of any work in respect of which a notification that the work has been done to

sioner.

(2) Any such proclamation may be made with respect to—

(a) any road, bridge or ferry which is a national work within the meaning of the Local Government Act, 1919, whether the same is declared to be a national work before or after the commencement of the Main Roads (Amendment) Act, 1936;

(b) any other road, bridge or ferry (including a road, bridge or ferry in the Western Division) which is maintained, managed and administered by the Minister for Public Works.

(3)

Main Roads (Amendment).

(3) Any such proclamation shall take effect from the date of publication or from a later date to be specified in the proclamation.

5 (4) As from the date upon which any such proclamation takes effect the road, bridge or ferry shall be maintained, managed and administered by the Commissioner.

10 (5) Where the road, bridge or ferry is a new work or a work in course of construction, the construction of the same shall be undertaken or continued by the Commissioner.

15 (6) (a) Where the road, bridge or ferry which is transferred to the Commissioner under this section is a national work within the meaning of the Local Government Act, 1919, or is within the Western Division, the Commissioner shall have and may exercise and perform in relation thereto all the powers, authorities, duties and functions conferred or imposed upon the
20 Minister for Public Works by section five hundred and thirty-seven of that Act, and for such purpose shall be the constructing authority for the purposes of the Public Works Act, 1912.

25 (b) In any case to which the provisions of paragraph (a) of this subsection do not apply, the Commissioner shall have and may exercise and perform in relation to the road, bridge or ferry transferred by this section all the powers, authorities, duties and functions conferred or imposed upon the Minister
30 for Public Works by or under any Act, and which, immediately before the date upon which the proclamation relating to the road, bridge or ferry takes effect, were capable of being exercised and performed in relation to such road,

W. R. McCOURT,
Clerk of the Legislative Assembly.
Legislative Assembly Chamber,
Sydney, 2 July, 1936.

New South Wales.

ANNO PRIMO

EDWARDI VIII REGIS.

Act No. 1936.

An Act to amend the Main Roads Act, 1924-1931, the Sydney Harbour Bridge Act, 1922, and certain other Acts in certain respects; to validate certain matters; and for purposes connected therewith.

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. (1) This Act may be cited as the “Main Roads (Amendment) Act, 1936.” Short title
and citation.

(2) The Main Roads Act, 1924-1931, as amended by subsequent Acts, is in this Act referred to as the Principal Act.

Main Roads (Amendment).

(3) The Principal Act as amended by this Act may be cited as the Main Roads Act, 1924-1936.

2. The Principal Act is amended—

Amendment of
Act No. 24,
1924.

5 (a) by omitting from subsection two of section one the words "municipalities of Balranald and Hillston which are in the Western Division of the State," and by inserting in lieu thereof the words "Western Division of the State which are within the areas of municipalities";

Sec. 1.
(Applica-
tion of Act.)

10 (b) (i) by inserting in section three after the definition of "Botany Road Trust" the following new definition:—

Sec. 3.
(Interpre-
tation.)

15 "Commissioner" means the Commissioner for Main Roads appointed under the Transport (Division of Functions) Act, 1932.

(ii) by inserting in the same section after the definition of "Developmental road" the following new definition:—

20 "Developmental work" means any work upon a road, route or means of access declared to be a developmental work under this Act or any part of such developmental work.

25 (iii) by inserting at the end of the same section the following new subsection:—

30 (2) Where any road which passes through a public reserve and connects with a main road has, although the same is not a public road, been proclaimed to be a main road, then in the application of any provision of this Act to or in respect of such road, unless the context or subject matter otherwise indicates or requires—

35 (a) a reference to the council shall be construed as a reference to the trustees of such public reserve; and
40 (b) a reference to the area of the council shall be construed as a reference to such public reserve.

Main Roads (Amendment).

3. (1) The Principal Act is further amended—

Further amendment of Act No. 24, 1924.

(a) by inserting at the end of subparagraph (iii) of paragraph (b) of subsection two of section seven the words “as if he had continued as an officer of the public service”;

Sec. 7 (2).
(Officers.)

(b) by omitting from the same paragraph the words “Service in the public service shall be deemed service with the board” and by inserting in lieu thereof the words “Service with the board shall be deemed service in the public service.”

(2) Subsection one of this section shall be deemed to have commenced on the first day of July, one thousand nine hundred and twenty-nine.

(3) The Principal Act is further amended by inserting at the end of subsection four of section seven the words “and the Developmental Roads Fund.”

Further amendment of Act No. 24, 1924.

Sec. 7 (4).
(Division of administrative expenses.)

4. The Principal Act is further amended—

Further amendment of Act No. 24, 1924.
New s. 7A.

(a) by inserting next after section seven the following new section:—

7A. (1) A Commissioner or an Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, and every officer who has had fifteen years' service shall be entitled to three months' leave on full pay or six months on half pay, and on the completion of twenty years' service shall be entitled to a further three months' leave on full pay or six months on half pay.

Leave of absence after years of service.

After completion of further service after twenty years and up to a total service of forty years in all he shall be entitled to a further proportionate amount of leave on full pay or half pay calculated on the basis of six months or twelve months respectively for twenty years' service,

(2)

Main Roads (Amendment).

(2) A Commissioner, an Assistant Commissioner or an officer who has acquired a right to extended leave with pay and who retires from his office or from the service of the Commissioner shall be paid forthwith in lieu of such leave the money value thereof as a gratuity in addition to any gratuity to which he may otherwise be entitled.

Gratuity in lieu of extended leave.

Any pension to which any such Commissioner, Assistant Commissioner or officer is entitled under the Superannuation Act, 1916-1935, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(3) Any pension to which any officer referred to in subsection two of this section is entitled under the Civil Service Act 1884, shall commence from the date following that upon which his extended leave, if taken, would have terminated.

(4) A Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932, who, before his office as Commissioner or Assistant Commissioner expires is appointed by the Governor to any office under any Act, shall be entitled to continue to contribute to any superannuation fund or account to which he was, immediately before such last-mentioned appointment, a contributor, and shall be entitled to receive any deferred or extended leave or any payment in respect thereof in the same manner and to the same extent as he would have been entitled to contribute to such fund or account or to receive such leave or payment in respect thereof if he had continued in office as such Commissioner or Assistant Commissioner.

For such purposes his service in any office to which he may be so appointed shall be deemed to be service as such Commissioner or Assistant Commissioner as aforesaid.

This

Main Roads (Amendment).

This subsection shall be deemed to have commenced on the twenty-ninth day of April, one thousand nine hundred and thirty-five.

5 (5) For the purpose of this section service shall include aggregate years of service either before or after the commencement of the Main Roads (Amendment) Act, 1936, of—

- (a) a member of the board;
- 10 (b) a Transport Commissioner appointed under the Ministry of Transport Act, 1932;
- (c) a Commissioner or Assistant Commissioner appointed under the Transport (Division of Functions) Act, 1932;
- 15 (d) an officer or employee of the board or of the Transport Commissioners of New South Wales or of the Commissioner;

and, where any such Commissioner, Assistant Commissioner, officer, or employee was, immediately before his appointment to the board or as a Transport Commissioner, an officer or employee of the Public Service, shall include aggregate years of service in the Public Service.

25 Nothing in this section contained shall affect or limit the rights conferred by any other provision of this Act on officers of the Public Service appointed as members of the board or as Transport Commissioners or to the service of the board or of the Transport Commissioners of New South Wales or of the Commissioner.

30 (b) by omitting from section two from the matter relating to Part II the figure "7" and by inserting in lieu thereof the figure and letter "7A."

14. (1) The Commissioner shall decide what works of construction or of maintenance shall be carried out on or in respect of a metropolitan State highway or a metropolitan main road.

Decision as to works.

25 (2) Before so deciding the Commissioner shall consider the representations (if any) of the councils of the areas in which the works will be situated.

30 15. (1) Where the Commissioner has decided that any work of construction or of maintenance is necessary he may (except when otherwise authorised by the Governor) offer to place the carrying out of the work in the hands of the council and may make an agreement with the
35 council accordingly.

Who to execute works.

This

Main Roads (Amendment).

5 This subsection shall extend to works for the construction and maintenance of a road which passes through a public reserve and connects with a main road and which has, although the same is not a public road, been proclaimed to be a main road. In any such case the offer may be made to and the agreement may be made with the council within whose area the public reserve is situated or to or with any other council.

10 (2) The Governor may in any special case direct that work be carried out by the Commissioner.

15 (3) Where an agreement is made under subsection one of this section the Commissioner shall pay the cost (or instalments thereof) from the County of Cumberland Main Roads Fund to the council in trust, to be expended on the said works in accordance with the agreement, and the council shall account to the Commissioner therefor.

20 (4) All work entrusted to a council shall be carried out to the satisfaction of the Commissioner.

25 (5) Where in consequence of any works of construction or of maintenance carried out, by or at the request of the Commissioner, on or in respect of a metropolitan State highway or a metropolitan main road, it becomes necessary to make any alterations in any side road the Commissioner shall pay, from the County of Cumberland Main Roads Fund, the cost of so much of such alterations as is attributable to such works of construction or of maintenance.

30 (6) (a) The Commissioner may require a council to pay a contribution towards the cost of works of drainage, kerbing, or guttering or of construction and paving of footways carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or main road.

A

Main Roads (Amendment).

5 A council may be required to pay a contribution under this subsection towards the cost of a work of drainage, which serves to drain portion of the area of the council outside the limits of the State highway or main road whether or not such work is wholly or partly outside the area of the council.

10 A council may be required to pay such sum as the Commissioner may consider reasonable, as a contribution towards the cost of constructing or paving the footway on a bridge situated wholly or partly within the area of the council whether such sum be greater or less than the actual cost of such of the works as are carried out in the area of that council.

15 (b) Any contribution required to be paid by a council under this subsection shall not exceed—

20 (i) in respect of any works of drainage, the proportion of the cost thereof which the discharge of stormwater from the area of the council outside the limits of the State highway or main road bears to the total discharge of stormwater from the total area to be served by the said works;

25 (ii) in respect of kerbing and guttering, three-quarters of the cost thereof constructed on the same side of the road as and adjacent to any land privately owned where no kerbing and/or guttering previously existed or where kerbing and/or guttering existed but no contribution in respect thereof has previously been paid by an owner of such land, and one-half of the cost of constructing kerbing and guttering on the same side of the road as and adjacent to any public reserve where no kerbing and/or guttering previously existed;

30 (iii) in respect of construction and paving of footways (including footways on bridges) the

Main Roads (Amendment).

the cost of constructing and paving the footway where the footway was not previously constructed and/or paved, or the cost of any widening of the footway;

5 (c) Before any work towards the cost of which the Commissioner proposes to require any council to make a contribution under this subsection is proceeded with the Commissioner shall furnish to the council plans and specifications of the proposed work and shall serve notice
10 upon the council of his proposals and the estimated amount of such contribution, and shall consider the representations (if any) of the council in connection therewith.

15 Any such representations shall be made in writing not later than three months after the date of service of such notice on the council.

If within three months after the date of service
20 of notice of such proposals on the council no such representations have been made by the council to the Commissioner the work may be proceeded with.

Where any representations are so made the
25 Commissioner shall within one month after the receipt by him of such representations, or in any case where the council has, in such representations, notified the Commissioner that it desires to be heard and to call evidence in respect of the matter, within one month after hearing the council, inform the council in writing of his decision
30 thereon.

(d) Any payment due to the Commissioner by way of contribution under this subsection shall be paid to the Commissioner by the
35 council—

(i) in any case where the contribution
40 exceeds one thousand pounds, by instalments of such amounts and payable over such period not exceeding five years as may be agreed between the council and the Commissioner; (ii)

Main Roads (Amendment).

(ii) in any other case, within three months after demand by the Commissioner or within such further time as the Commissioner may allow.

5 (e) Where any difference arises between the council and the Commissioner in respect of anything done or proposed to be done under this subsection or of the application of this
10 subsection or of the amount of contribution payable to the Commissioner or of the period during which instalments of any such amount shall be paid or as to the extent to which any alterations in any side road are attributable to any works of
15 construction or of maintenance carried out by or at the request of the Commissioner on or in respect of a metropolitan State highway or a metropolitan main road, such difference shall be submitted to a district court judge nominated for that purpose by the Governor to act as
20 arbitrator.

The Arbitration Act, 1902, shall not apply to any submission to a district court judge under this paragraph.

25 Rules of court may be made by the judges of the district courts under the District Courts Act, 1912-1936, regulating the procedure in connection with any such submission and all other matters connected with or arising out of any such submission, in respect of which it may to them
30 appear necessary or convenient to make rules of court.

35 The decision of the judge in respect of any difference submitted to him for arbitration shall be final but no award as to costs of the council or of the Commissioner shall be made and the judge shall for the purposes of such arbitration have the same powers of procuring the attendance of witnesses and the production of documents as if the proceedings were an action in the district court.

In

Main Roads (Amendment).

In the case of the death or inability to act of the judge nominated as arbitrator the Governor may nominate a district court judge to act as a new arbitrator.
