Dear Mr Borsak

Re: Additional Information – Question on Notice

Thank you for the opportunity to appear before the Committee, and to speak to Waverley Council's submission to the inquiry.

As detailed in our submission, and in my evidence, antisemitism has had and continues to have a significant impact on the Waverley community.

In relation to the information requested by the Committee, I can confirm that the costs incurred by Council for graffiti removal, clean-up and other costs associated with antisemitic antisocial and criminal behaviour in the last financial year was approximately $65,000.

Please do not hesitate to contact my office if I can be of further assistance to the inquiry.

Yours sincerely,

Will Nemesh
Mayor of Waverley
