Subject: Re: Clean indoor air inquiry - post hearing responses - Thursday 19 February 2026

Thanks Elspeth,

Just one word correction please:

- Page 26
- First main paragraph
- Sentence beginning "A peer reviewed Journal **run** by a French Group..."
- I wonder if I didn't speak clearly, or if the typist misheard, as that doesn't quite make sense...
- I can't recall what I said but it should read "A peer reviewed Journal **article done** by a French group"

I'm still working on the question on notice and will send it to you before March 20.

Many thanks,

Bronwyn
