

**INQUIRY INTO UNSOLVED MURDERS AND LONG-TERM
MISSING PERSONS CASES IN NEW SOUTH WALES
BETWEEN 1965 AND 2010**

Name: Robert Charles Dobson

Date Received: 3 March 2026

My Name is Robert Charles Dobson, i am 70 year old pensioner. I currently live in Belrose NSW

My Brother Owen John Dobson was murdered on or about 12th January 1991 in the upper Northern Rivers area somewhere between Byron Bay and Nimbin, it was suggested by the Police that it was a Drug deal gone wrong or Bikers in the area chasing a \$1200 outstanding payment..a Sydney morning Herald Reporter was ordered to leave immediately and given a brief to publish, other wise quote get on the plane and don't come back or you will end like Dobson.

I wrote to the police Minister and Commissioner and ask for all notes on witnesses, and forensic evidence but was told sorry no apply through courts ,

I did that through Gipps and was informed that I could not have what I requested ,

I then went to Nimbin myself and interviewed several people who new my brother and people who had dealings with John , I found out a lot of evidence, which gave me new leads to the killers identity, . I spoke with a Detective Sheldon ,who was hesitant in going forward in this old case ..

I truly believe the NSW Police Force is hiding important information about this case as it could and will damage the Northern Rivers Police area command.

I have a lot more information about my dealings with the Police department in regards to this submission.

Your Sincerely

Robert Charles Dobson
